

American Wanderer Summer Camp would like to invite your homeschooled kids to explore our National Parks this summer!

We offer 4 amazing 2-week sessions exploring 34 of America's National Parks in Arizona, Colorado, Idaho, Montana, New Mexico, South Dakota, Utah & Wyoming. We currently have openings available for kids ages 11 to 17 during Session I (June 26 to July 9), Session II (July 10 to July 23), Session III (July 24 to August 6), and Session IV (August 7 to August 20). If you prefer to travel with your camper, we can custom design a trip for your family or group of friends during our camp's off-season.

American Wanderer Summer Camp is the ultimate homeschool experience! Travel with us and learn things you cannot read about in a book or experience through a picture or movie. Every day we journal about our experience and share the highlights of our day around the nightly campfire. We discuss preparation for the next day, where we'll go and explore. The camp has a core curriculum. We can work with you to incorporate your homeschool curriculum, as well.

Sign up by January 31, 2012 and get a \$250 homeschool discount. If you refer another camper who registers by February 29, 2012, we will double your discount (\$500 total discount). Stay for 2 or more sessions and you receive double the discount (\$500 total discount).
