All programs include the following

- Accommodate special requests to play with friends, family and/or a certain coach

- Focus on fun, safety and equal playing time for kids
- We emphasize good sportsmanship over winning. Coaches are provided a weekly discussion guide on a particular sportsmanship value to review with the kids. After the game the coaches provide a sportsmanship award to the player that best exemplified the value
- All our coaches are background checked and certified and we only employ experienced officials
- For convenience, practices and games are held on the same day on the same field
- Promise a high level of communication about upcoming games/events and an exciting experience at the fields
