Which type of homeschool mom are you? Please read the 4 descriptions below and label the one most like you with a "1" and least like you with a "4". If you feel you don't have any of those characteristics, just leave it blank.

Loyal Lisa _____

You value friendships and are very loyal. You have a wonderful idealism and warm nature. You place high priority on being a good listener and peacemaker in your home. You enjoy being recognized and valued.

Your motto: Let's talk over coffee today!

Carefree Carla _____

You love spontaneity and are the life of the party. Most days, you would rather play and have fun than plan out lessons. And variety is an absolute must. You enjoy making things fun for your kids and you like to see them laughing and enjoying life. You are optimistic and jovial.

Your motto: Let's have a good time today!

Perfect Patty _____

You love lists, plans, and schedules and you aren't one for spur of the moment ideas. You struggle with being creative, but flourish if you have a clear cut plan to follow. Punctuality is key and you may get frustrated if others do not cooperate with you. You enjoy a well ordered, consistent and practical day of homeschooling.

Your motto: Let's do it the right way today!

Competent Cathy _____

You love to be in control, and are up early ready to tackle the day. You think and act more logically and have difficulty understanding the emotions and feelings of others. You have a clear sense of purpose with life, and you love problem solving, brainstorming and long term projects.

Your motto: Let's get things done today!
